C designated for permanent ID in 2015

International letters are designated for each year of birth for livestock identification (ID). These designated letters are an easy option to use in conjunction with numbers

when permanently identifying animals. For example, C001 and C002 could designate the first two calves born into your herd in the year 2015.

Using the international letter code is optional for Angus breeders.

For complete information about permanent ID (Rule 105) and naming animals (rules 102 and 107), access the online *Breeder's Reference Guide*. To access from www.angus.org, click on "Rules and Forms" in the pull-down menu under "About."

National Western Bull Sale

The 2015 National Western Angus Bull Sale show and sale will be Jan. 14 at the 2015 National Western Stock Show (NWSS) in Denver, Colo.

Consignments must have Angus Herd Improvement Records (AHIR®) performance information to be eligible, and all bulls born before Jan. 1, 2014, must have passed a complete breeding soundness examination (sometimes referred to as a BSE), including both physical and semen, within 30 days of the sale.

The Angus Bull Sale Show will kick off Angus activities at noon on Jan. 14, giving prospective buyers the opportunity to preview the bulls before the sale. A panel of three judges will evaluate the bulls using a composite system to establish a sale order. Judges are Chris Styles, Brentford, S.D.; John Grimes, Hillsboro, Ohio; and Joe Myers, Harrodsburg, Ky.

Attendees will be invited into the showing to inspect bulls after the grand and reserve grand champions have been selected.

Following the bull show, at approximately 3:30 p.m., the 2015 Angus Foundation Heifer Package will sell in the Beef Palace Auction Arena at the Stock Show Complex. Immediately after, the National Western Angus Bull Sale will begin.

The NWSS Angus Bull Sale is the only sale managed by the Association. For more information contact David Gazda, sale manager and Association regional manager, at 706-296-7846.

Still time for 'end-of-the-year' charitable gifts

Charitable gifts to the Angus Foundation in support of its education, youth and research programs are appreciated regardless of the time of year the gift is made by the donor. Oftentimes, however, charitable giving decisions are made at year's end once an individual or couple knows their income tax situation for that respective calendar (tax) year.

Feel free to make your gift this year through the Angus Foundation's annual fund appeal you received recently, or using the envelope insert in the organization's 2014 Annual Report.

As a reminder, one should pay special attention to timing when it comes to year-end gifts. In accordance with Internal Revenue Service (IRS) guidelines, 501(c)(3) charities such as the Angus Foundation will recognize the U.S. Postal Service's postmark denoted on the outside of the carrier envelope used by the donor in transmitting the gift to the charity.

In order to qualify for tax savings on this year's tax return, your gift must be completed by Dec. 31. For cash gifts, this means your gift must be personally delivered or mailed to the Angus Foundation in an envelope postmarked no later than Dec. 31. Gifts can also be made online at www.angusfoundation.org.

I Am Angus airs this winter

I Am Angus focuses on the heart of the Angus business — its people, its heritage and why people have chosen to be a part of it. Initiated in 2008, the Association-produced documentary series continues this fall and winter across America. The program was to air Thanksgiving evening and is scheduled to air Christmas night and the evening of Jan. 5, 2015, on RFD-TV.

For more information or to watch segments from past shows visit www.angus.org.

Feed intake to be included in \$F, \$B this December

This December, during the Association's biannual national cattle evaluation (NCE), the feedlot dollar value index (\$F) will see an additional update beyond the economic assumptions. The feed intake EPD, which is calculated behind the scenes as a component of the residual average daily gain (RADG) EPD, will be incorporated into \$F, thereby affecting the beef value index (\$B) as well.

For additional information, see the "By The Numbers" column on page 82 in this issue.

Request sale-day kits

When planning your production sales, don't forget to request your sale-day kit from the Association's Public Relations and Communications (PR) Department. The kits contain posters for decorating your sale facilities, as well as a sample of Association literature for you to distribute to your customers. Contact the PR Department for your kit or order it online. Please allow two weeks for delivery.

MaternalPlus®

MaternalPlus is a voluntary, inventory-based reporting system designed to capture additional reproductive trait data and, ultimately, expand reproductive and lifetime productivity tools. By using MaternalPlus, producers will receive additional information at weaning processing time, including calving ease, birth weight and weaning weight expected progeny differences (EPDs) for calves out of inventoried cows. In addition, MaternalPlus allows producers to submit cow disposal codes and reason designations, which keeps an accurate record of why a cow left the herd.

To learn more about MaternalPlus, visit www.angus.org or AAA Login.

Download the Angus App

Angus Mobile is a free, smartphone application for the iPhone, iPad and Android

devices that allows app users to update herd data no matter where they are on their farm or ranch. Download the easy-to-navigate app and gain access to the latest news, sale reports, show results, EPDs and \$Values, percentiles and much more. Visit www.angus.org for more details.

Lifetime membership options

The American Angus Association offers producers a lifetime membership option. The \$1,500 membership lasts throughout the life of the sole person named on the membership. Payments may be broken into three nonrefundable yearly installments.

Lifetime memberships can be issued to one person only, and are not meant for partnerships. The membership option may be used for a farm name, provided only one person is included on the membership.
